SPEAKER EVALUATION- UCI RESIDENT PRESENTATIONS

Shawn Beck, M.D. - "Improving Cosmesis and Decreasing Incisional Hernia Rates Using a Transverse Versus Vertical Camera Port Incision in Robotic Radical Prostatectomy"

Video: "Athermal Tension Adjustable Suture Ligation of the Vascular Pedicle During Robotic Prostatectomy"

STRONGLY AGREE-STRONGLY DISAGREE

5 4 3 2 1

TOTAL PTS # RETURNED AVG SCORE

1) *Clarity of the presentation.*

2) *Quality of slides/video.*

3) *Overall organization of presentations.*

*** SECOND PLACE ***

TOTAL:

70	17	4.12
----	----	------

Jennifer Young, M.D. - "Optimal Freeze Cycle in Renal Cryotherapy"

TOTAL PTS # RETURNED AVG SCORE

1) *Clarity of the presentation.*

2) *Quality of slides.*

3) *Overall organization of presentations.*

*** FIRST PLACE ***

TOTAL:

75	17	4.41
----	----	------

Michael Liss, M.D. - R4 - "Incidence of Fluoroquinolone-Resistant Escherichia coli in Patients Undergoing Transrectal Ultrasound Guided Prostate Needle Biopsy"

TOTAL PTS # RETURNED AVG SCORE

1) *Clarity of the presentation.*

2) *Quality of slides.*

3) *Overall organization of presentations.*

*** THIRD PLACE ***

TOTAL:

69	17	4.06
----	----	------

****Very Important****
